# Gift-giving tips

Keep a stash of wrappings available for gift-giving. Remember, you can make a Chex® Party Mix recipe in as little as 15 minutes!

## Holders

Shop thrift stores, antique shops, dollar stores and more for fun containers. Odd mugs and cute and colorful paper bags in different shapes and sizes work well.

## Bags

Clear bags will show off delicious Chex® Party Mix. Select resealable bags or those that need tie-ups.

## Stuffers

Colored tissue paper can be crumpled and “fill” oversized containers or add fluff to the package top.

## Tie-Ups

Craft a bow using wire-edged ribbon and look like a pro. Besides crinkle ribbon, raffia, cord or colored rubber bands, use shoelaces for runners, ponytail bands for girlfriends, or fishline or rope for sportsmen.

## Add-Ons

Add personality with hang tags, ornaments, trinkets or other gifts like jewelry, sunglasses or fishing lures.

## Crafty Stuff

Use stickers, glitter paint, puff paints and shapely scissors to decorate bags. Let the kids help!
