brought to you by

## Calling all teachers!

Here's a new way to help your classroom get the learning tools and supplies your students need – plus our school will earn **2% cash back** with every item purchased!

## How My Class Essentials™ registry works:

Teachers create a free, online registry for their class, filled with the items and supplies needed for their classroom.

Parents can view their child's classroom registry, purchase the items that are needed or donate money to the classroom registry.

The classroom, students and teachers get the items they need and our school earns a **2% cash donation** on every purchase.

## Create your free, personalized online registry today!

Choose from **over 6,000 student and classroom materials** to see what you'd like school supporters to purchase for your classroom.

This is a great way to help you get the supplies you need – and to earn a little **extra cash for our school** at the same time.
